SUMMARY

I have 14 years of broadcast TV and industrial video experience in the areas of shooting, editing and producing. Please view my reel at www.BigIdeaProductions.net

WORK EXPERIENCE

Since 2003, I have been a freelance cameraman/editor/producer. I am currently incorporated as Big Idea Productions, LLC, in the Central Florida region, where I freelance on broadcast TV, corporate and convention productions.

EDUCATION

- BA in communications - UNLV (2000)
- MFA Film Production - University of Miami (2002)

CLIENTS

I have shot for Pawn Stars, American Restoration, Fox News, Inside Edition, Extra, iHeartRadio Broadcast, as well as other programs for broadcast television. I have produced event-related corporate videos for SONY, HP, IBM, Microsoft, Wendy's, Caesar's Entertainment, as well as many other corporate clients.

SERVICES

Big Idea Productions can crew your video productions in the Central Florida area. I have a network of camera operators, audio operators, grip and lighting, producers and post production support to produce the highest quality video content.
